NH ROUTE 125 BUS SERVICE TO BOSTON MODIFIED
***PLAISTOW SERVICE OFFERS TRIAL EXPRESS SERVICE AND SERVICE VIA
NEWBURYPORT, MA WHILE EPPING SERVICE CEASES***

The New Hampshire Department of Transportation announces that commuter bus service provided by Timberlane Coach Company from the NH Route 125 corridor into Boston has been modified.

Effective yesterday (September 3, 2002), service from Epping has been discontinued and Plaistow commuter runs have been modified. Citing low ridership, Timberlane Coach Company has revamped its commuter service in the NH Route 125 corridor. The Plaistow Park & Ride lot located on Westville Road will be served with three trips—two trips that will now operate via Newburyport, Massachusetts and one EXPRESS bus that will operate during the month of September on a trial basis.

Plaistow trips operating via Newburyport will travel down Interstate 95 and depart Plaistow at 6:20 am and 6:50 am. Return trips via Newburyport will arrive in Plaistow at 6:10 pm and 7:10 pm. The fare for this service remains at \$8.50 one-way, \$57.75 for a 10-ride pass, and \$106.50 for a 20-ride pass.

The EXPRESS bus will depart from Plaistow at 6:30 am and travel on Interstate 93. EXPRESS service from Boston to Plaistow will depart Boston at 4:20 pm. The fare for EXPRESS service is \$7.75 one-way and \$77.50 for a 10-ride pass. Continuation of the EXPRESS bus hinges on the average daily ridership and departure times are subject to change based on riders' consensus.
